SPECIALIZED EMT ROAD

Brand: Specialized
Product Code: 105988
Availability: In Stock

Price: \$19.99

Short Description

PORTABLE TOOL

Description

The EMT Road tool is a lightweight, pocket-sized piece that features all of the essentials for long road rides. This includes a wide range of Allen keys, a flat blade, and even a Phillips screwdriver. Even better, the shape is very low-profile, and the weight tips the scales at a svelte 125 grams.

- Low-profile forged aluminum side plates.
- 2, 3, 4, 5, 6, and 8mm Allen keys.
- 4.5mm flat blade and #1 Phillips.
- Weight: 125g
