Description

The Verza Cruz is the most eye-catching bike we've ever made, and it's sure to garner plenty of look-backs wherever you take it. But all the style points in the world won't matter if your ride isn't smooth. That's why the Verza Cruz 7 features an adjustable handlebar for dialing in your most comfortable position, as well as Heel-Toe Technology that ensures both feet are planted on the ground when stopping.
