Product Code: 60819-0604
Availability: In Stock

Price: \$99.99

Short Description

UNISEX

Description

Day or night, the Centro Winter LED helmet with MIPS proves itself to be more than just your average around-town helmet. It features an integrated LED taillight in order to increase your visibility, an easy-to-use, one-size-fits-all system, an in-molded shell for lightweight protection, and all around reflective webbing to help increase your visibility to motorists in low-light conditions. The Centro Winter LED also features an insulated cold-weather liner that is sure to keep you warm in chilly conditions. You'll also find that it's equipped with next-level protection courtesy of revolutionary MIPS technology (Multi-Directional Impact Protection System).

- Fit system is ANGi crash sensor ready. ([Learn More...](#))
- MIPS-equipped. ([Watch Video](#) | [FAQ](#))
- Insulated cold weather liner helps keep you warm in chilly conditions.
- Integrated LED tail light for increased visibility in both bright and low-light conditions.
- One-size system, designed for easy and accurate fit to a wide range of head sizes.
- Headset SX fit system with micro-adjustable dial for easy, secure, and accurate fit.
- 4th Dimension Cooling System optimizes ventilation.
- In-molded shell improves strength and reduces weight.
- Tri-Fix web splitter for improved comfort and ease of strap adjustments.
- All around reflective webbing and decals for increased visibility to motorists in low-light conditions.
- Patented clip-on visor included.
- Lock compatible rear vent accepts both cable and U-locks to deter theft.
