WOMEN

Description

Premium features, certified protection, road-worthy styling and our exclusive HairPort SX fit system, tailor-made for a ponytail, make the Duet a great value for any female cyclist.

- One-size system based on women's head sizing, designed for easy and accurate fit
- MIPS-equipped. ([Watch Video](#) | [FAQ](#))
- HairPort SX fit system is ponytail compatible and features micro-adjustable dial for easy, secure and accurate fit
- 4th Dimension Cooling System optimizes ventilation
- Tri-Fix web splitter for improved comfort and ease of strap adjustments

- In-molded shell improves strength and reduces weight
- Reflective webbing and decals for added nighttime visibility
- Patented clip-on visor included
- Complies with one or more of the following safety standards for bicycle helmets: CPSC, SNELL B90A, CE and AS/NZS
