### Short Description

FULL COVERAGE FENDERS

### Description

A sturdy, secure set of full-coverage fenders designed to fit more bikes than any fenders in their class. Easy to install and easy to adjust, Roadrunners are a favourite of both cyclists and shop mechanics.

Forged alloy RAINRUNNER Q/R mounts; 3M Reflex rear reflectivity; Virtually unbreakable Techniflex body; Stainless steel stays; Safety front stays

Below: Mount to Quick-Release skewers via included AXLE-RUNNERS Above:  
mount to brake bridge and fork crown via included nut and bolt or with zip ties

Included proprietary AXLE-RUNNERS mount to almost any front or rear Q/R skewer to “create” eyelets; 3M Reflex rear logo enhances visibility; support stays spaced for maximum stiffness and frame compatibility; front fenders equipped with safety stays to protect against objects becoming lodged in wheel; sold pre-assembled for quick mounting
