Short Description

ROAD BAR

Description

With the same ergonomic benefits as the S-Works version, the Expert Shallow delivers a strong and affordable bar with no compromise.

- 2015 premium butted aluminium, high-strength design.
- Ergonomic top perch alleviates pressure on hands, smooth transitions for fit and comfort.
- Shallow bend drop design.
- UCI legal, compatible with Shimano, SRAM, and Campagnolo controls.
- Front of bar optimized for dual-cable routing.

- Clamp Diameter: Oversized 31.8mm
- Bar Width (centre-to-centre): 40/42/44cm
- Shallow Bend Drop: 123mm drop x 75mm reach
