Short Description

UNISEX

Description

Desirable features, certified protection, and casual styling—these are the hallmarks of our Centro helmet. It's intended for commuters and city riders, and it features an easy-to-use, one-size fit system, an in-molded shell for lightweight protection, and all around reflective webbing to help increase your visibility to motorists in low-light conditions. You'll also find that it's equipped with next-level protection courtesy of revolutionary MIPS technology (Multi-Directional Impact Protection System).

- Fit system is ANGi crash sensor ready.
- MIPS-equipped.
- One-size system, designed for easy and accurate fit to a wide range of

head sizes.

- Headset SX fit system with micro-adjustable dial for easy, secure, and accurate fit.
- 4th Dimension Cooling System optimizes ventilation.
- In-molded shell improves strength and reduces weight.
- Tri-Fix web splitter for improved comfort and ease of strap adjustments.
- All around reflective webbing and decals for increased visibility to motorists in low-light conditions.
- Patented clip-on visor included.
- Lock compatible rear vent accepts both cable and U-locks to deter theft.
