Description

The Urbania 3 features a full aluminum frame and fork for extremely well-versed pedaling capabilities, a Shimano Altus 3x8 drivetrain, hydraulic disc brakes for superior stopping power, and reflective tires for added visibility in low light conditions. That's right, reflective tires! If you're riding at night, the tires will light up when light from passing cars shines on them. Grab an Urbania 3 today and see where the roads take you.
