### Description

Premium's Duo is a go-anywhere, do-anything bike for all your favorite tricks. Its 5-tube chromoly frame with butted down tube provides the groundwork for the Duo's all-purpose capabilities, along with its Mid bottom bracket shell and included brake hardware. Get fast and stay there with fully sealed hubs featuring Samsara rear and Deviant front double-wall rims, and hold on tight as you push the three-piece chromoly 175mm crankset along with the 25/9 gearing. Don't forget about the 100% chromoly bars mounted to the Premium aluminum front load stem or the Premium CK tires, giving the Duo all it needs to be your go-to bike.
