PINHEAD AXLE LOCKNUTS 3-PACK (9MM/10MM)

Brand: Pinhead
Product Code: PH-006
Availability: In Stock

Price: \$89.99

Short Description

WHEEL SECURITY

Description

- Includes front and rear wheel locks, seatpost lock and coded key. Prevents removal of your wheels and seatpost from your frame. Protects your wheels and seatpost for a fraction of their replacement cost.
- Keyed-alike sets can be ordered to protect your other bikes.
- Solid axle locks use a different key than quick release locks.
- Measure the axle diameter of your front and rear wheels.
