AXIOM RAINRUNNER 360 REFLEX

Brand: Axiom
Product Code: 177775-01
Availability: In Stock

Price: \$74.99

Short Description
FULL COVERAGE FENDERS

Description
RAINRUNNER 360 REFLEX

- No eyelets? No Problem!
- Exclusive forged aluminum AXLE-RUNNER mounts mount to your quick release skewer and "creates" eyelets that you can mount to
- Clip mount attached to brake bridge or can be zip-tied to help overcome mounting problems
- Traditional stay design is stiffer and more secure than most strap-on designs
- Full 3M side visibility provides unparalleled safety in urban environments
- Enhanced stay spacing provides improved stiffness and overcomes mounting problems found with other brands

- Extended mudflap reduces rear spray. Ideal for group racing

Road Weight: 575g / 1.26 lbs (pair)

Trekk Weight: 610g / 1.34 lbs (pair)
