Availability: In Stock

Price: \$54.99

Short Description

FULL COVERAGE MTB

Description

ROADRUNNER AR – MTB29

A sturdy, secure set of full coverage fenders designed to fit more bikes than any fenders in their class. Easy to install and easy to adjust, Roadrunners are a favourite of both cyclists and shop mechanics.

CONSTRUCTION: Forged alloy RAINRUNNER Q/R mounts; 3M Reflex rear reflectivity; Virtually unbreakable Techniflex body; Stainless steel stays; Safety front stays

MOUNTING SYSTEM: Below Mount to Quick-Release skewers via included

AXLE-RUNNERS Above: mount to brake bridge and fork crown via included nut and bolt or with zip ties

ADDED BENEFIT: Included proprietary AXLE-RUNNERS mount to almost any front or rear Q/R skewer to “create” eyelets; 3M Reflex rear logo enhances visibility; Support stays spaced for maximum stiffness and frame compatibility; Front fenders equipped with safety stays to protect against objects becoming lodged in wheel; Sold pre-assembled for quick mounting
