Price: \$14.99

Short Description

GRIPS

Description

The All Mountain-focused Enduro Grip uses thicker padding and features a non-slip texture for enhanced shock absorption and lasting comfort.

- Softer density on the outside for superior vibration damping.
- Dual-density compound for improved comfort and bar adherence.
- Softer, thicker padding for comfort.

- Higher-density inner core for secure bar attachment.
- Textured pattern provides non-slip performance.
- Diameter: 30mm
