SHIMANO CS-5800 105

Brand: Shimano
Product Code: CS-5800
Availability: In Stock

Price: \$79.99

Short Description

11 SPEED CASSETTE

Description

Shimano 105 5800 11-Speed Road Cassette

This Shimano 105 5800 11-Speed Road Cassette is a durable 11-speed cassette, which employs close cassette ratios that Shimano believes will optimise rhythm and cadence control. The nickel-plated finish to this Shimano 105 5800 11-Speed Road Cassette provides resistance to corrosion. The largest sprockets are mounted on a lightweight alloy carrier to reduce weight and increase rigidity.

FEATURES:

- Hyperglide EV sprockets have a computer designed tooth configuration

with contoured shift gates, resulting in a crisp smooth shift even under load

- Close ratio gearing allows a more efficient use of energy through finer cadence control
- Largest sprockets are mounted on a lightweight alloy carrier to reduce weight and increase rigidity
- Sprockets are cut away and drilled to further reduce weight without reducing rigidity
- Nickel-plated finish offers hard wearing resistance to corrosion
- Pearl-bright steel cassette lockring
- For Super Narrow 11-speed HG-X chains
